Promoting social contribution activities to help realize a sound and spiritually rich society

1. As a responsible corporate citizen, we strive to help realize a prosperous society, particularly through activities in the following five areas: education of the next generation, study and research, environmental conservation, community service, and culture and arts.
2. In particular in areas relating to education of the next generation, environmental conservation, and community service, we strengthen our activities by collaborating with stakeholders to meet their expectations and the needs of society.
3. When offering support or making a donation, we consider the social benefit, public interest, and usefulness to the recipient, and act accordingly in an appropriate manner.
4. We respect the volunteer activities and other social contribution activities of our employees and other individuals.
 - We respect the volunteer activities and other social contribution activities of our employees and other individuals and believe they are an essential part of fulfilling our corporate social responsibilities.
